## ABOUT PER

Throughout the United States, recent disasters and acts of terrorism have illustrated the need for a new approach to emergency preparedness. To that end, the Partnership for Emergency Readiness was formed in 2006 between the City of Eden Prairie and several Eden Prairie businesses. The purpose of the partnership is to work together towards the prevention of, and response to, disasters and acts of terrorism.

### PER MISSION STATEMENT

Provide a resilient community through utilization of recognized public and private expertise and incentives that will serve as a model for communities around the country.

## MEMBERSHIP BENEFITS

- No charge onsite safety assessments by fire inspections staff.
- No charge onsite security assessments by police staff.
- Discounted access to AED technology with training and service included.
- No charge NIMS training.
- Corporate CERT training.
- Police Citizens Academy.
- The potential for reduced insurance premiums.
- Authorized credentialing for the business community in case of an emergency.
- Information and intelligence sharing between the public and private sectors in Eden Prairie.
- Identification and publication of best methods and procedures.
- Web-based secure front end to collect/analyze data and improve communication.
- Joint training, drills, and table-top exercises between first responders and the business community.

## SHARING RESOURCES AND EXPERTISE

The City and member organizations work cooperatively to meet each other's needs in the prevention of, and recovery from, disasters. When a disaster strikes the community the City of Eden Prairie is able to assist affected businesses by working with PER members who volunteer to share their resources and expertise including technology, hard goods, water, office space or staffing. In return the City of Eden Prairie provides a number of services to member organizations including comprehensive safety inspections, pertinent crime information bulletins and training.
