Hard-hitting 'real world' actionable advice for maintaining a compliant and secure global supply chain

ABOUT US

- Trade Innovations was founded in 2005 by two former Directors of Target Corporation
- We are located in Eden Prairie, Minnesota and have extensive worldwide world-class resources
- Our firm specializes in matters related to global trade, compliance and supply chain optimization and security

SOURCING SERVICES

- Trade Innovations provides assistance to importers of all sizes in identifying and developing new and emerging markets and building robust sourcing organizations capable to delivering to the company's bottom line
- If your company is a relatively new importer, looking to diversify or in the process of restructuring a current sourcing organization let Trade Innovations help you
- Or, perhaps your company is currently importing a product or raw material and your desirous of seeking out counter-sourcing opportunities
- Trade Innovations can help with product design and development too
- A fast, reliable, nimble sourcing organization is the cornerstone of any good import program

SOCIAL ACCOUNTABILITY

- Trade Innovations was intimately involved in building one of the largest social accountability programs in the U.S.
- Our Associates have great depth in not only developing and implementing programs, but conducting on-site social accountability audits
- We help our clients design cost-effective, fairly administered, social compliance programs

OTHER SERVICES
